Parent / Guardian

As a parent or guardian of the SNHEC student(s) listed below, I have read the school's policy on Acceptable Use of Technology Resources and discussed the policy with my child. I understand that technology resources are to be used for educational purposes. I also recognize it is impossible for the school and school staff to restrict all access to controversial materials, and I will not hold them responsible for materials acquired online. Further, I accept full responsibility for supervision if and when my child's technology use is not at school.
